## LAKESIDE GIN

An aromatic Plymouth-style gin distilled from our Harvester Vodka base spirit with juniper and floral botanicals creating a balanced semi-dry gin with a light-bodied finish.

|                      |                            |
|----------------------|----------------------------|
